

primotec ®	Material Safety Data Sheet Separate Product / Preparation	SDB – No.	03-01	Page	1 of 2
		Revision	1.0	Date:	7/1/2004

1	Material and corporate name						
1.1	Details on the product	Trade Name	Metatouch pink separator			Item No. IM200	
1.2	Commercial Enterprise	Name	primotec, Joachim Mosch				
		Address	Tannenwaldallee 4, D-61348 Bad Homburg				
		Telephone	0049-6172-99770-0	Fax	0049-6172-99770-99	e-mail	primotec@primogroup.de
		Information about	Safety	Telephone	0049-6172-99770-0	Fax	0049-6172-99770-99
		Emergency information	See above				

2	Composition / information on ingredients	
2.1	Description	Saturated aliphatic hydrocarbon, liquid paraffin and pigment

3	Hazards identification	
3.1	Special hazards information for human and environment	Not applicable

4	First aid measures	
4.1	General information	No special measures necessary
4.2	After contact with skin	This product is used as a separator for the hands prior to modelling Metawax and is removed by washing with water and soap. In case of skin irritation, consult a medical doctor
4.3	After contact with eyes	Rinse thoroughly with much water, in case of irritation seek medical advice
4.4	After ingestion	Cause vomiting and consult a medical doctor

5	Fire fighting measures	
5.1	Suitable extinguishing media	
	Powder water spray extinguisher	
5.2	Unsuitable extinguishing media for safety reasons	
	Water jet	
5.3	Special productive equipment for fire fighting	
	Not applicable	

6	Accidental release measures	
6.1	Precautionary measures related to people	
	Not applicable	
6.2	Environmental protective measures	
	Not required	
6.3	Methods of cleaning / adsorption	
	Pick up mechanically, absorb with cloth or something similar (e.g. tissue paper) and throw away	

7	Handling and storage	
7.1	Instructions on safe handling	
	No special measures necessary	
7.2	Information on fire and explosion protection	
	No special measures necessary	
7.3	Storage	
	Keep at a cool and dark place. Not above 20°C	
7.4	Further information about storage	
	Not required	

8	Exposure control and personal protection			
8.1	Additional information on shaping of technical constructions			
	No further information			
8.2	Exposure limits			
	None			
8.3	Personal protection			
	No specific recommendations			
	Breath protection	Not required	Hand protection	Allergic persons are required to wear non rubber gloves
	Eye protection	Don't let the product come into contact with the eyes	Body protection	Wear common industrial safety clothing
	Hygiene measures	Keep common hygiene for the job		

primotec ®	Material Safety Data Sheet Separate Product / Preparation	SDB – No.	03-01	Page	2 of 2
		Revision	1.0	Date:	7/1/2001

9	Physical and chemical properties						
9.1	Appearance:	Form	Cream	Color	Red	Odor	Typical
9.2	Specifications pertinent to safety						
	Burn out temperature		Not applicable		Burn out ash measurement		Not applicable
	Flashpoint		Not applicable		Self inflammation		Not applicable
	Danger of explosion		None		Explosion limit		Not applicable
	Vapor pressure		Not applicable		Density		Not determined
	Solubility in water		Insoluble		Ph-value		Not determined
10	Stability and reactivity						
10.1	Thermal decomposition		No decomposition when used as directed				
10.2	Hazardous reaction		None				
10.3	Hazardous decomposition products		None when used as prescribed				
11	Toxicological information						
11.1	Skin irritation		Non-irritant				
11.2	The primary irritation index		None				
12	Ecological information						
	No information about negative ecological consequences because of the products consistency						
13	Disposal consideration (Germany)						
13.1	Product		Observe local/national decrees; usually no special treatment				
13.2	Package		The package is made of plastic and can be disposed as household waste; the box can be reused after cleaning				
14	Packing and transport decrees (Germany)						
	No special packing and transportation necessary because of non hazardous material						
15	Miscellaneous decrees (Germany)						
15.1	Licence according to GefStoffV/EG		No duty				
15.2	National decrees		None				
15.3	Water endangering category		None				

NOTE

This Safety Data Sheet is based on our current knowledge of and experience with the product. It is exclusively meant to reduce risk factors handling the product. Hence it only describes aspects of safety. The details are no guaranteed characteristics according to our public terms of business. They do not release the user from the compliance of laws, regulations and rules.

Our Safety Data Sheets are free of charge with the first subscription. Additional copies can be requested for refund of expenses. Updating the Safety Data Sheets in accordance with the relevant regulations, we inform all users, who received the Safety Data Sheet in the last 12 months before the date of revision. This occurs by sending the revised version free of charge. Owners of out-dated Safety Data Sheets can enquire about the particular level of revision.
